

Example Pulpit Announcement (Vida Trinity House 333 Campaign)

As a Church Partner of Vida Medical Clinic and Support Services, we are proud to support their life-affirming ministry and work here in the Fox Valley. Vida is a Christian, life-affirming medical clinic and support services non-profit organization based in Appleton that provides free care and support to women and men facing an unexpected pregnancy or difficulties parenting young children.

They recently announced the opening of a maternity house, Trinity House, in the Fox Valley this year, and we encourage our church community to support this effort through their 333 Campaign. Vida was not specifically looking to expand this year in this way, but God's timing is perfect. A property became available that they previously looked at, and when the final offer paperwork came back to them, the reduced price was \$333,333! How beautiful that God answered prayers by confirming this expansion and their ministry, right down to the very penny.

We encourage you to learn more and prayerfully consider joining this effort and mission with a donation to the Vida Trinity House 333 Campaign ... whether it is \$3, \$33, or \$333!
