

VIDA INVITES YOU TO ADOPT-A-FAMILY THIS CHRISTMAS SEASON!

As we will prepare for the coming of the Infant Jesus at Christmas, Vida Church Partners have the opportunity to help the youngest among us and local families in need through Vida Adopt-A-Family!

Adopt-A-Family gifts Vida clients and their families material goods for winter. Your church may choose to adopt one or more families through Vida to support this Christmas. Each participating Vida client and family provides a list of their material needs to Vida, and each church may purchase, host a drive, etc. to cover that list. Your church then delivers items to Vida, where Vida staff and volunteers package them for distribution to the respective family.

Will your church join us in extending love and generosity to local families in need this Christmas?
