Management Team

- Ann Priest, APNP
- Claire Hoslet, Trinity House Manager
- Beth Knapinski, Marketing/Communications Manager
- Tara LaBerge, Support Services Manager
- Heidi Weiland, RN, Nurse Manager

It's difficult to believe that in the Spring edition of *Life Links* we were announcing the establishment of a maternity home, and only six months later, we're ready to welcome our first residents! We encourage you to go to our *Friends of Vida* website to read the incredible story.

The short version of the story is, in six short months, we completed the purchase of a former senior living facility for the God-ordained price of \$333,333.33; paid off the mortgage through our *333 Fundraising Campaign*; accomplished a \$300,000+ renovation with the help of over 3,000 volunteer hours and numerous in-kind gifts of professional labor and materials; and even raised 1/3 of the funds needed to run our program for the first year. The blessings poured down upon this ministry have shown God's tremendous power and His great love for the women and children we will serve in our new housing program.

Trinity House is one of the many reasons we hope you continue to support Vida with your gifts of time, talent, and treasure. Successful and expanded programming means bigger fundraising goals for Vida. It is with great humility that we continue to reach out to you, our supporters, over and over again to ask for your financial help. We have not yet met our goal to break even on our unexpectedly bigger budget for 2023. We are grateful to have such a big Vida family to turn to for help. Together, we can build a community where every woman feels valued, every baby is cherished, and every family is strengthened by the bonds of faith and love. 🙏

Trinity House

We continue to believe that God has a bold vision, including maternity housing, for how this unified Christian ministry can play a critical role in transforming the culture in the Fox Valley. There has been an incredible outpouring of generosity and support from the community for the maternity home expansion. It is clear that no one wants pregnant women living in public parks, cars, staying in shelter programming not designed to meet their unique needs, or in toxic relationships because they have no one to turn to for help. We are all in agreement that loving Christian communities can do better than that!

The renovation of Trinity House this past summer was a true labor of love by our large and incredible community of supporters. Renovations are finally complete, including new HVAC and security systems, just in time to keep our mothers and babies safe and warm this winter. We can't thank our volunteers enough for the well over 3,000 hours devoted to making this house a home!

This fall, we turned our attention to what will be needed for the day-to-day operation of our program. We have completed writing our Resident Handbook and the numerous Policies and Procedures needed to deliver high quality, Christ-centered, residential programming. We've also been busy building new relationships with other organizations and programs in the community to support us in serving our residents. And finally, we purchased a minivan! This used vehicle came with mission-friendly

pricing and will be perfect for transporting residents to and from important meetings and appointments and maybe even to the hospital in the middle of the night to deliver their baby!

God has continued to call and equip new team members to serve. This team of amazing women will be ready when we welcome our first residents home starting the week of October 30! Please keep in mind that our interns are mission critical and will serve as live-in staff for a year of service. We are already recruiting 2024 interns who will start their year of service in the spring of 2024. We are counting on you to share this unique service opportunity with friends and family who may be interested.

And last, but definitely not least, this program will be made possible by the continuing generosity of this community. We still have many unmet material needs for the house. Visit the online gift registry at www.friendsofvida.org/maternity-home. There will be many other ways for your family and church to get involved with Trinity House, including our very special meal ministry. Explore volunteer options at www.friendsofvida.org/get-involved/volunteer.

Medical Clinic

Our medical clinic's numbers are also on the rise. Our medical team works with patients daily to heal from past and present wounds, which negatively impact their mental well-being and reproductive health.

Our medical clinic helps patients, like Mary, a teenager, who was devastated by the news she tested positive for an STD and needed the support of a compassionate nurse to affirm her unchanging value. Or Molly, who shared her despair because she wanted to keep the beautiful child she saw in the ultrasound but was being pressured by her boyfriend to have an abortion. Or Beth, who chose the path of a chemical abortion, alone and unsupported in her home. She desperately wanted permission to mourn the loss of her baby.

These stories are representative of the hundreds of individuals who come to us each month for help in various stages of grief, trauma, and despair. We meet them where they are on their journey without judgment or condemnation.

The medical clinic has a lot of good news to share! Vida began offering sports physicals this past summer. The

service was warmly welcomed by local students and their parents. Our two available clinic dates filled up immediately! Ann Priest, APNP, saw male and female students, ages 10-17, from several school districts. The new clinic offering was even shared on social media by the local health department. Vida continues to offer sports physical appointments throughout the school year, upon request. This is a great way to provide a needed health service and introduce Vida services to teens and their parents. We will definitely have additional dedicated clinic dates for next summer too!

Vida has an exciting new telebehavioral mental health service option through the Wisconsin Free & Charitable Clinics (WAFCC)! Many of the individuals we serve struggle with anxiety, depression, and significant life stressors. To promote healthy individuals and families, we have begun a process to refer patients in need of mental health care to providers at Open Arms Clinic. We will also continue to make referrals to local providers for in-person care and are exploring other exciting options to bring mental health services into our building. 🌊

Chip In For Life Recap

On Monday, September 18, Vida hosted its 8th annual Chip In For Life golf outing. We celebrate, with thanksgiving, its tremendous success on every front!

God blessed us with gorgeous, unseasonably warm weather, and we again maxed out golf registration with 145 golfers. This year, we added a new event, a wine tasting, to the afternoon and welcomed dozens of additional guests to enjoy wine, snacks, and good company while overlooking the beautiful golf course. This inaugural wine tasting event went extremely well and will continue to be an enjoyable addition to Chip In For Life for non-golfers!

This year's Chip In For Life also provided record-breaking fundraising, raising more than \$90,000 at the event, and additional sponsorship of approximately \$190,000.00!

Whether you sponsored Vida, participated in the event, donated to the auctions, or purchased an item, we are thankful for your faithful and faith-filled support of all the incredible work being done in and through Vida! 🌊

Support Services

Vida is serving a record number of parents in our Support Services program. We don't know of any other program in the entire country that serves over 100 parents in one month, and we're now serving over 200!

We are serving single moms, like Erin, who left her surgical abortion appointment because the ultrasound revealed she was the mother of twins. She prayed an angry prayer to God in the clinic parking lot, daring Him to miraculously help her find a path forward. When she returned home to Appleton, she was referred to Vida for help. She realized in her orientation appointment that Vida was the answer to that parking lot prayer.

Little Bear Care

Our onsite childcare space, Little Bear Care, is a big hit! Moms and dads appreciate the opportunity to talk with their mentor, participate in support groups, and shop in the Little Dear Boutique, while their children play in Little Bear Care. With the number of clients we serve on the rise, we need more volunteers for our childcare space. If you or someone you know loves toddlers, has a heart to serve, and has an hour or two to share as a childcare volunteer, please call Vida Volunteer Coordinator Tessa at 920-731-4354.

Adopt-A-Family Christmas Giving Program

Vida's Adopt-A-Family Christmas Program is underway for 2023. Church partners have extended their generosity by providing material support for the Vida families they "adopt" for Christmas giving. We have a few churches signed up already and are still looking for more support! This program helps our clients with much needed winter clothing and toys for Christmas. As we prepare for the coming of the Infant Jesus, Adopt-A-Family is a unique way for churches and families to offer support and to bring Christ to a family in need.

Donation Drives and Material Giving

As we serve more individuals, the need for material support has also increased. Donation drives held by churches, businesses, community groups, and families are mission critical to get the supplies we need for our boutique. The *Friends of Vida* website (www.friendsofvida.org/donate) always has an up-to-date list of material donations needed for our Little Dear Boutique. You can give directly to Vida by dropping off donations any time Monday-Thursday from 9-5 p.m. 📍

Friends of Vida Engagement 2024

Plan out your 2024 involvement and service at Vida with the 2024 engagement sign-up form. Visit www.friendsofvida.org/2024engagement to review volunteer, donation drive, meal train, and more opportunities to donate your time and talent to Vida in 2024. This is a great opportunity for youth groups, churches, moms groups, families, and others to get Vida engagement opportunities on your calendar right away for the new year.

Together for Life 2024

Vida will host its annual Together for Life Fundraising Banquet in spring 2024! Please watch for a save the date and additional details coming soon.

2024 Vida Sponsorship Drive

The 2024 Vida Sponsorship Drive is underway! We need businesses, families, and individuals to step up early in the year, so we can promote your business at our events, on our website, and on all our printed materials for the entirety of the calendar year. We are so thankful for our sponsors who come alongside us with their financial support. The stellar reputations of our sponsors further confirms the quality of our services and the impact of our programming. 🌟

Level	Amount	Benefits
Diamond	\$15,000+	2 – Foursomes, 8 wine tasting tickets 8 banquet tickets (1 table) Priority golf and wine tasting registration Premier acknowledgment and marketing at event, throughout the year, and in impact report

Commit To Annual Giving, So Our Families Can Count On You!

Your contribution is more than just a donation; it's a lifeline. Every dollar you give to Vida directly impacts the lives of countless men, women, and children. It offers hope to families in need, providing them with life-saving resources and emotional support.

Imagine the difference you can make. For the mother uncertain about her next steps, your gener-

osity provides mentoring, resource coaching, and support groups, which change the trajectory of her life and her children's lives. For the newborn, your contribution ensures they receive the best start in life, with safe and healthy housing, essential supplies, and more. For families grappling with challenges, you provide the means for Vida to stand beside them, offering support every step of the way.

There are many ways to give:

1. Donor Advised Funds: With your advised funds, you have the power to drive meaningful change and be a catalyst for progress.

2. Gifts of Appreciated Stock: By converting your investments into impactful change, you are actively contributing to the betterment of our community.

3. IRA Distributions: Maximize your impact while minimizing your tax burden – a win-win situation that allows you to make a lasting difference.

4. Estate Gifts and Bequests: Leave behind a legacy of compassion and care that will con-

Visit www.friendsofvida.org/donate or call us at 920-731-4354 to further discuss these giving options or explore other ways to give to Vida. 🌱

tinue to touch lives for generations to come.

5. In-Kind Gifts (ex: diapers and other material support): Practical contributions, no matter how small, can create significant ripples of positive change.

6. Cash: Every dollar you contribute counts toward empowering lives and fostering resilience within our community.

7. New Family Tradition: Forge a legacy of giving by making Vida your family's chosen charity during the holiday season. Teach the value of compassion and community to future generations.

Vida Grants

Vida regularly applies to community, corporate, and family foundation grants to help ensure financial sustainability through diverse revenue streams, practice wise stewardship of gifts, enhance community awareness, and respond to unmet needs in the community. Vida continues to apply for grants to meet unmet community demands and maximize impact for those we serve.

List of grants Vida has applied for thus far in 2023 and the funding decisions:

Funded

- Biking for Babies
- J.J. Keller Foundation Small Grant
- Kiwanis Appleton/Fox Cities Foundation
- Knights of Columbus ASAP Matching Grant(s)

Not funded

- Basic Needs Giving Partnership Grant
- FEMA Non-Profit Security Grant Proposal
- Otto Bremer Program Grant
- Schreiber Foods Grant
- U.S. Venture/Schmidt Family Foundation Grant
- Women's Fund for the Fox Valley Region Project Grant

Outstanding

- Ariens Family Foundation Grant
- Common Ground Healthcare Cooperative Foundation Grant
- Direct Relief, BD, NAFC Advancing Women's Health: Cancer Care Prevention, Screening & Diagnosis
- Focus on the Family Option Ultrasound Program
- Green Bay Packers Foundation Grant
- Heartbeat International Empower Life Grant
- HRSA Integrated Maternity Care
- Menasha Corporation Foundation Grant
- NAFC Women's Reproductive Care Grant
- NAFC Women's Cancer Prevention
- Outagamie County Health and Human Services STI Grant
- Pieper Foundation PPC Foundation Grant
- Wisconsin Free and Charitable Clinic Preeclampsia Grant

Funding decisions marked as outstanding are as of the *Life Links* publication date. 🌱

**GIVING
TUESDAY**

Giving Tuesday Give Back

This Giving Tuesday, November 28, Vida is giving back. If you have made a financial donation of any amount to Vida in 2023, your name will be automatically entered into a drawing for Vida swag (Vida-branded t-shirt, mug, etc.) Watch the Vida Facebook page for the drawing that day. The winner will also be contacted after the drawing. Thank you, Friends of Vida, for your generosity this year!

A gift was given to Vida by the following individuals:
