

# VIDA INVITES YOU TO ADOPT-A-FAMILY THIS CHRISTMAS SEASON!

As we will prepare to celebrate our Savior's birth, Vida Church Partners have the opportunity to help local families in need through Vida's Adopt-A-Family program!

Adopt-A-Family provides Vida clients and their families with much needed items for winter and Christmas. Your church may choose to adopt one or more families. Churches will be given wish lists for their adopted families and may purchase, host a drive, etc. to gather items on the lists. Your church will deliver the items to Vida where Vida staff and volunteers package them for distribution to the respective client.

Will your church join us in extending love and generosity to local families in need this Christmas?
