# Thank You

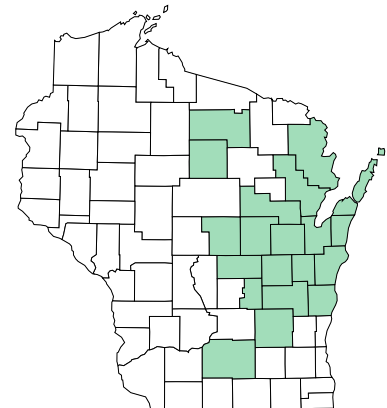

Since 1983, Vida has been a life affirming presence in the Fox Valley and surrounding area, reaching those who come to us with love, truth and compassion. It is because of the incredible support, both prayer and financial, of our vast Vida Family, that we have the profound opportunity to be the hands and feet of Jesus to all those we have the honor of serving. Because of your support, thousands of women and families have felt and tasted the sweetness of our Heavenly Father's love and grace and received the seeds of faith.

“

*My life before Vida was hard, stressful, and hopeless. I knew I had to make a change for my child and decided to find help. Since moving in, I've been able to maintain a part-time job. I'm also enrolled at FVTC to get my GED, working on getting a driver's license, and a loan for a car. If it wasn't for Vida, I wouldn't have the courage, motivation, and support to keep going. Trinity House has really been a blessing.*

“

*I was homeless; I was in a very toxic relationship and I found myself pregnant. I made an appointment with Vida knowing, for the reasons of my life at the time, that I could not have this baby. I went into my ultrasound and I was expecting to see a speck on the screen, but my baby had a body, a head, and a little spot where it's nose was coming and it was completely unexpected. I went in thinking one way and I came out knowing that this baby was going to be my reason for changing my life.*

*I was nervous about parenting before coming to Vida, but now I feel like I've got somewhere where I can get some answers and get some ideas. I'm not just out there by myself and alone, sort of like a stranded island. Instead, I've got very good support here. The feedback I get from the mentor is phenomenal, very helpful, helps me as a father and helps me with my children.*

Vida extends our deepest gratitude to all our generous donors who make our ministry possible with their gifts of time, talent, and treasure. Vida's total revenue for 2024 was \$2,522,160, including investment earnings and total in-kind revenue, which includes product donations to our boutique and the value of Vida volunteer hours.

Vida expenses for 2024 were \$2,050,783. Our annual fundraising goal is for fundraising revenue to match budgeted expenses so that we do not have to dip into our operating reserve to pay bills. **Amazingly, Vida finished our fundraising year with a surplus of \$92,552!** This surplus will help fund programming in the slowest fundraising months of the year, January and February.

## Revenue

## Expenses

\*In-kind revenue, including product donations to Little Dear Boutique and the value of Vida volunteer hours, are vital resources for Vida. In-kind expenses are determined by calculating the total value of in-kind revenue, without which Vida would have incurred additional expenses, hiring more staff members and purchasing product for the boutique. Therefore, critical in-kind revenue allows us to bridge funding gaps with the goods and volunteer services needed to fully achieve our mission. The total 2024 in-kind revenue was \$493,759 and was offset 100% by 2024 in-kind expenses.
